Class 2 Students: October 21, 2024, Monday

Venue: School Mini Auditorium

Participation: All students in the respective classes are required to participate in the competition.

Theme: Ramayana

Objective: To encourage students to delve into the story of Ramayana and bring it to life through role-playing.

Guidelines:

- Role play will be on any scene or episode from the Ramayana to enact.
- The performance should be creative, engaging, and reflective of the chosen scene.
- Costumes and props should be appropriate to the characters and setting.

The performances will be judged based on acting skills, teamwork, and adherence to the theme.

We kindly request parents to support their children in preparing for the competition by helping them with costumes and props.

We look forward to witnessing the talent and enthusiasm of our young performers.
