

## Annual Report (Session 2022-23)

Good afternoon and warm wishes to all. I feel honored to extend a hearty welcome to our distinguished Chief Guest of today's function Hon'ble Brig Deepak Chaubey, Commander of Infantry Brigade. I would like to extend my heartfelt gratitude to him to accept our invitation and spared his precious time from his busy schedule to be with us for this day. Sir, your presence has made this day more special for all of us at Sandeepni Gurukul.

I would also like to extend a cordial welcome to Hon'ble President of the Managing Committee Sh Pawan Mahajan ji, our source of motivation. We are happy to have you with us, sir. A whole hearted welcome to Mrs. Pinki Mahajan Ji for her gracious presence. Ma'am we are very delighted to have you with us today.

I deem it my proud privilege to extend a heartiest welcome to.....

On the behalf of Sandeepni Gurukul, I convey my regards and welcome to all invited honourable dignitaries, the media and our our worthy parents.

### Introduction

**The future belongs to those who believe in the beauty of their dreams.** With a deep sense of exhilaration and delectation I present the Annual Report of the year 2022- 23. On this exuberant moment, I thank each and every one for your relentless support and encouragement; the dedication and untiring efforts that have taken Sandeepni Gurukul to the towering heights of success and accomplishments.

### Motto

**Sa vidya ya vimuktya** is the motto of Sandeepni Gurukul which means the education that liberates. this year we have entered into the 4th year of our glorious academic journey. From the humble beginning made in 2019, we have crossed many momentous milestones. Today, our school is a dream destination for students, teachers and parents alike.

### Best School Award with best Sports Facilities

I would like to begin with sharing one of the biggest news of the year that our school has bagged the best school award with excellent sports facilities. We have received this award at 2nd FAP National Awards by honorable **Speaker of Punjab Vidhan Sabha, S. Kultar Singh Sandhwa**, Chancellor Chandigarh University, **S. Satnam Singh Sandhu**, and **Dr. Jagjit Singh Dhuri**, President Federations of Private Schools and Associations.

### CBSE AFFILIATION FOR SECONDARY SECTION

We are very happy to mention that we have already received the CBSE affiliation for Secondary School. We received this affiliation after a rigorous inspection process by a team of IC (Inspection Committee) members duly constituted by the CBSE - NEW DELHI. We would like to express our sincere thanks to all our parents and well-wishers for their constant support for our endeavours to ensure quality education for our students. We assure you that we will continue our efforts to achieve excellence. Meanwhile, we will also be starting the process of getting CBSE affiliation for the senior secondary as well.

## **ACADEMICS**

Academics is the core focus of Sandeepni Gurukul. All the possible efforts have been taken and, we will continue to take, to ensure academic excellence in our school. We strongly believe that excellence in academics is the hall mark of our school, as a good institution. We wish to transform our school from Child Centric and finally Child Driven. We wish that our children are digitally compliant and sensitive towards environment, animals and pollution. We wish that our children become so self-disciplined that they are always punctual and school is free from Ringing the Bell and invigilators in the examinations.

## **SCHOOL NEWSLETTER**

Let me introduce you to the monthly newsletter which is released on 10th of each month and the same is uploaded in the school website and also in our social media accounts. And here I am proud to share that the designing of the newsletter is done by the students of the journalism club. Also there is a team of the student editors who help in editing work. Dr Madhu, the Chief Editor, and Mr. Rajan Salaria, our Chief Designer deserve a special mention for making all this possible as per the schedule.

## **Teacher-Training initiatives**

Sandeepni Gurukul has an enthusiastic and dedicated team of teachers. We always ensure that the teachers must stay updated with the current pedagogies and methods. A series of CBSE workshops and trainings were conducted for our teachers so that they are well equipped with the techniques and methodologies to ensure holistic development of each child. Also, we are always grateful to some of the top universities for their teacher training sessions by their team of experts time to time.

## **Celebrations:**

### **Life is a celebration. We just need persons to celebrate it.**

To foster national integration, international understanding, religious and cultural awareness and tolerance, various national, religious and cultural festivals and occasions were celebrated with due pomp and grandeur. We also celebrate important days in our morning assembly.

## **Our students**

How can we forget the soul of our school, our students. The students at Gurukul are very disciplined, self-motivated, empathetic towards others and respect everyone. The school has a robust Student Council System to identify, train and empower students to become future leaders. The students from Classes 6-9 are appointed to various posts after they undergo intensive selection procedure.

Our Student Council helps us in discipline maintenance and also organizing events such as today's event too. All of them uphold the values and traditions of Sandeepni Gurukul. It is indeed a milestone in their lives!

## **Why Gurukul Foundation?**

The students prefer to go to Kota, Chandigarh or Delhi for competitive exams and coaching and spend huge amount to the coaching centres over there. Sandeepni Gurukul has found a solution and brought the best faculty from Kota to Pathankot to avoid such migration.

We have already started the mathematics foundation classes from our expert from Kota for the aspirants. Also, there is a plan to bring the best faculty of science to start **competitive coaching & developing competitive mindset** in our kids at an early age. In short, we will be providing comprehensive test preparatory service to students preparing for medical & engineering entrance exams, school/board exams, NTSE, Olympiads, NEET, JEE etc

## **Olympiad Result GK**

Our students have outshined by bagging gold medals in GK. **Saksham Sharma, grade 7** – gold medal of excellence, **Pragnay Singh, grade 1**– gold medal of excellence, **Divyanshu Sharma, grade 1**– gold medal of excellence, **Dhanvi Mahajan, grade 1**– gold medal of excellence. The result of other three subjects is still awaited.

## **UPFC**

United Punjab Football Club is an elite football club coaching the boys who are from different states all across the nation and providing them great opportunities. United Punjab is accredited to **ALL INDIA FOOTBALL FEDERATION (governing body of football in India)**. Our priority is their development as we aim to take them to the next level.

This year we participated in **Punjab Youth League** organized by Punjab football association and **Administrator Challenge Cup**, Chandigarh organized by Chandigarh Administration.

**In PYL**, we have won 2 matches against Amol Academy and Muslim Football Club, Malerkotla and 1 draw against Shri Guru Hargobind Sahib Football Academy, Banga

**In Challenge Cup**: we have lost one against Round glass Punjab FC, Mohali and 1 win against Imphal City Football Club, Manipur.

## **Experience and Opportunities.**

Our players are gaining great experience playing against good academies such as CFA, Chandigarh, Minerva Football Academy, Chandigarh, Sudeva Football Academy, delhi, ORISSA FC, Shri Guru Hargobind Sahib Football Academy, Banga, Baichung Bhutia football academy, Gurugram, Round glass Punjab football club, Mohali and more. These opportunities are huge in developing our players as they overcome challenges they wouldn't get elsewhere.

## **Trips And Excursions**

Sandeepni Gurukul advocates the idea of learning by experiencing. The Excursions and trips organized by the school for different groups of students are a symbol of such learning. There was a visit to power substation, Mirthal, visit to the bank and the post office, recreational visit to sada pind, Amritsar, the novelty mall, pathankot etc to name a few.

One of the most memorable visits was the educational visit to the IIT Jammu where our young Gurukulites walked into the campus to weave their dreams to be the part of an IIT. Students witnessed many innovative machines/processes, met young **entrepreneurs**, saw the **incubation centre**. Students asked an end number of questions. Overall, a great experience. And we are planning such educational trips in the coming days too.

## **Music Classes**

We at Sandeepni, encourage that every child participates in singing and learns at least one musical instrument. The music room is well equipped with the entire basic instruments like the Harmonium, Tabla, Congo, Drums, Piano, guitar, Keyboard, etc. The music department is managed by highly trained staff to guide students both in vocal and instrumental Indian classical music.

## **Dance Classes**

I take pride in sharing that our school offers dance classes in both eastern and western classical dance along with Fusion, Creative and other modern forms of dance. These classes, apart from developing poise and grace among the students, make them aware of the rich cultural heritage of India.

## **Robotics Club**

Sandeepni Gurukul is continuously evolving as a school that is preparing the students to be ready for the future. We focus on increasing use of robotics in education to optimize the learning experience. Teaching robotics give students the key skills and range of experience and understanding of science, technology, engineering and mathematics which have become essential in higher education and job markets.

We have a dedicated Robotics Lab where we facilitate STEM learning and introduce students to robotics at a young age. Our lab is always buzzing with our young budding engineers honing their technological skills working on their projects of robotics. Students here get an opportunity to build and program robotics projects and perform a range of basic tasks. Some of the projects built by our students are the Electronic Voting Machine, Smart Dustbin, Automated Car Parking System, Calculator, Maze Game, LED Cube to name a few.

## **Ghar Ghar Robotics**

Ladies and gentlemen, I would like to invite your keen attention towards our initiative named GHAR GHAR ROBOTICS. Under this initiative, we have given the students their own personal Robotics Kit having all the necessary components to make small robotics projects. We have also started felicitating our young robotics engineers with an award of the innovator of the week to promote robotics under the initiative of Ghar Ghar Robotics.

## **Computer Club**

Let's introduce all of you to the skills and achievements of our students of the Computer Club. **6 to 8:** I always feel privileged to share that Our sub senior students have made static websites using technology like HTML, Java script and CSS whereas our senior group of students have prepared dynamic websites by using server-side script language PHP, AJAX and bootstrap. Our junior students of grade 3- 5 students learn advanced image editing software like CorelDraw, Graphics suite and Adobe Photoshop. Our small ones from grade 1 and 2 are not left behind. They learn computer graphics by using advanced -MS Paint tools and MS Word software.

## **School Cafeteria**

Talking about the Gurukul campus, we have provided each and every facility of modern schools. And very soon we will be ready with our new dining hall that will provide hot and fresh food to the children. At Gurukul, we celebrate multi culture as we have admissions of students all the way from Assam, Manipur, Bihar, Haryana, different cities of punjab and Dubai. This is the trust people have shown for Gurukul.

## **Conclusion**

To conclude I would like to mention that this year's Annual Day program is an effort to showcase the talents of our all students. You are going to witness the ethos and dreams of our school through colorful and cultural events prepared by our students. Thank you all for your presence and I hope you will enjoy it till the last event.

Thank You. Jai Hind
